**Kurashiki City Announces Adoption of
Subsidy for Small and Medium Business
Support Project in Cooperation with
Financial Institutions
(Overseas Sales Channel Development Project)**

Kurashiki July 13

Kurashiki City has announced that it has decided to utilize the following subsidy.

The details are as follows.

Name of subsidy

Subsidy for small and medium-sized enterprises supported by Kurashiki City in cooperation with financial institutions (eligible projects: overseas sales channel development projects)

The project was selected as one of the nine projects selected for the first round of applications.

2. details of the subsidy

To respond to socioeconomic changes in the post-Corona-with-Corona era, the subsidy will be provided to small and medium-sized businesses in the city

Partial support for expenses related to initiatives for sustainable growth undertaken by small and medium-sized enterprises in the city.
